TARF Fees

We have received questions on TARF fees. Please see fees listed below for the costs associated with TARFs effective 9/13/13. The fee is based off the date the treatment is made and not on the date of submittal to the agency. Please submit your TARFs on time to avoid late fees.

Termite treatments done 9/13/13 or later.

A business licensee shall pay the following TARF fees:

1. Electronic submissions, \$2;
2. Electronic final grade treatment TARF submissions, \$0;
3. Electronic TARF submissions for a pretreatment or new-construction treatment of an addition that abuts the slab of an originally treated structure, \$0, if the business licensee:
 - a. Performed the pretreatment or new-construction treatment of the main structure,
 - b. Filed a TARF regarding the pretreatment or new-construction treatment,
 - c. Has the structure under warranty, and
 - d. Treats the abutting addition under the terms of the site warranty;
4. All paper submissions, \$8; and
5. Late fee equal to the original TARF fee for any TARF submission more than 30 days after the due date, except that the late fee for an electronic final grade treatment TARF submission more than 30 days after the due date shall be \$2.

Termite treatments done prior to 9/13/13.
